- **Format:** Round Robin (8 players, 15 rounds)
- **Players:** Elite Gambian Scrabble Champions
- **Dates:** August 15-17, 2025
- **Qualification:** Top performers advance to World Championships

How to Access the Tournament System

Use your smartphone, tablet, or computer to access the tournament system:

Primary Access URL:

<https://2bfd0006cbcc.ngrok-free.app>

Backup URLs:

- **Tournament Website:** scrabble.ebrimasaye.com/tournament
- **Local Network:** Connect to venue WiFi for local access

Player Authentication

Each player has been assigned a secure 4-digit PIN for score entry:

Player Name	Your PIN	Rating
Conteh, Ousman	1001	1850
Sock, Richard John	1002	1820
Suso, Kebba	1003	1790
Sambou, Amadou	1004	1760
Jah, Omar Malleh	1005	1740
Nyass, Ebrima	1006	1720

Coron, Jimmy	1007	1700
Sowe, Momodou	1008	1680

Keep Your PIN Secure

Your PIN is unique to you and prevents unauthorized score submissions. Do not share it with other players.

Dual-Verification Score Entry Process

To ensure accuracy without the Tournament Director present, all scores require confirmation from both players:

1

Player Login

Enter your name and 4-digit PIN to access the system

2

Submit Score

Enter the final scores for both players in your completed game

3

Await Verification

Your opponent will be notified to confirm the submitted result

4

Result Finalized

Once both players agree, the result becomes official and updates the live standings

Step-by-Step Score Submission

1

Complete Your Game: Finish your Scrabble game and calculate final scores

2

Access the System: Open the tournament URL on your phone or device

3

Login: Select your name and enter your 4-digit PIN

4 Enter Scores: Input both your score and your opponent's score

5 Submit: Click "Submit Game Result" - the system stores your submission

6 Wait for Verification: Your opponent will receive a notification to verify

7 Confirmation: If scores match, the result becomes final automatically

8 Next Game: System will show your next pairing when ready

⚡ **Fast & Easy**

The entire process takes less than 2 minutes per game. The system is mobile-friendly and works on all devices.

Dispute Resolution

If players disagree on the final score:

- **Automatic Detection:** System detects when submitted scores don't match
- **TD Notification:** Tournament Director in Oslo is immediately alerted
- **Review Process:** TD will contact both players via phone/WhatsApp
- **Resolution:** TD will review scoresheets and make final decision
- **Manual Entry:** Correct score will be entered by TD once resolved

Always Double-Check

Before submitting, verify scores with your opponent verbally. This prevents disputes and speeds up the tournament.
